SPONSORSHIP OPPORTUNITIES

Delegates

The Isle of Man Aviation Conference has a simple mission: to bring business aviation professionals together in a friendly, business-focused environment.

Now in our ninth year, we continue to attract a large, international audience from across the aviation industry, working in regulation, manufacture, operations, ownership and management.

This event provides the perfect opportunity for sponsors to share their brand with senior industry professionals throughout the conference and, depending on which package you choose, at the networking events.
