For your information...

Featured Logo

A 'Featured Logo' benefit includes your logo appearing on the IOMAC website before, during, and after the conference, within the IOMAC delegate programme, on the main conference screens which are on all day and rotate every 30 seconds, and on the reception area screens which are on all day and rotate every 10 seconds. Depending on your package your logo will appear in additional places. For example, if you sponsor the IOMAC video your logo will appear on this or if you are sponsoring the Ice Cream Van, your logo will be on the counter. If you wish to know the additional logo placements for a specific sponsorship package, please do not hesitate to ask.

Newsletter Feature

If your package includes a 'Featured Logo' benefit, then your logo will appear in our newsletter. Please be aware our newsletter currently has circa 2,000 active subscribers.

LinkedIn Feature

If your package includes a dedicated LinkedIn post to announce your sponsorship, please be aware we currently have over 2,100 followers and our impressions are usually around the 1,000 mark.

Networking Events Invitation

This year our networking events are by invitation only and will be allocated on a first come first served basis. Even if your package includes a guaranteed invite, please note, our staff reserve the right to decline invitations or entry to anyone who displays unprofessional behaviours. This is required to ensure the comfort of all delegates.

Branded Assets

You will be provided with IOMAC 2026 branded assets that can be used on LinkedIn to promote that you are a sponsor of the 2026 conference.

Additional Benefits

The benefits listed for each package are the basic benefits a company will receive for sponsoring that package. Should a company sponsor multiple packages, they will receive increased benefits. If the sponsorship package you wish to take has 2 available sponsors (e.g. Conference Lunch Sponsorship) and you decide to pay for both packages you will receive additional benefits (e.g. 2 delegate passes instead of 1). If the package didn't initially include a free delegate pass (e.g. Transport) but you sponsor both available packages, you will receive 1 free delegate pass. If you take both IT packages you will also be invited to be interviewed in the exclusive IOMAC 2026 video.

Special Mention

The conference Chairperson will give a special mention to sponsors whose package include this benefit during the main conference.
